

24. Letter from Prince Priest Jinawarawansa in Buddha Gaya to W. C. Peppé in Birdpore, dated 3 September 1898.

Has sent Peppé a 'complete collection of Siamese postage and revenue stamps', some unissued and very rare. Hopes P. has received them.

My dear Mr Peppé

About a fortnight ago I sent you an album of a complete collection of Siamese postage & revenue stamps which contains all the stamps are [sic] are in Siam even in the present day except one [sic] one "att" stamp which has since been introduced. Several of these are not issued and are therefore very rare. I hope you have received it all right.

Yours very truly
